

# What's going on Saturday April 26<sup>th</sup>?

Glad you asked!

## Legend

= kids activity

= expert advice

### Kids Activities:

Each booth with a  will have an activity for kids, such as microscopic exploration and coloring. There will also be a kid's zone with games and prizes. A trash relay, water cycle bracelet making, and scavenger hunt to name a few. Kids are a big part of conservation! Just ask them. 😊

### Free Expert Advice:

While all the booths will be staffed by knowledgeable people, each booth with a  will hold regularly scheduled mini-classes. Catch them after for questions.

### Colorado Lagoon Tour:

A great opportunity to take a walk down to a nearby wetland and take a look for yourself at the wonders we are trying to save! Taylor and Eric will answer your questions and walk you down to the Colorado Lagoon. It's not too far, approximately a ¼ mile walk.

### Have some lunch!

The Long Beach Fire Department will be serving up some hotdogs for lunch. Veggie dogs will be offered. Food tickets for purchase (at cost) will be available at the information booth.

# Booths

## Aquarium of the Pacific

Learn about all of the animals of the great big blue at this beautiful exhibit. How they are all affected by what we do and what we don't do!!! Oh, did we mention they have an aquarium on wheels?!
