

What's going on Saturday May 2nd?

Glad you asked!

Kids Activities:

Each booth with a  will have an activity for kids, such as microscopic exploration and coloring. There will also be a kid's zone with games and prizes, a trash relay, water-cycle bracelet making, and scavenger hunt to name a few. Kids are a big part of conservation! Just ask them. 😊

Colorado Lagoon Tour:

A great opportunity to walk down to the nearby wetlands and take a look for yourself at the wonders we are trying to save! Taylor and Eric will answer your questions and take you on a tour through the Colorado Lagoon. It's not too far, approximately a ¼ mile walk.

Be sure to check out the **Opportunity Drawing**, the **Face Painting**, the super cool **Fact Walk**, and don't leave before getting a picture with the coolest **Water Droplet** this side of the Colorado River!

Booths

ACT Inc D'mand Systems

Saving water – saving energy. D'mand controlled hot water pumping systems are a solution to all of that water and time wasted trying to get the hot water hot! Check out this booth for deals and some info.

Amigos De Bolsa Chica

Get all the info you need about the preservations, restoration, and maintenance of the Bolsa Chica wetlands.
